

Two Stroke Single Cylinder Petrol Engine Order Code : 32643 can operate in a normal way with great ease. The strong trestle has 4 wheels which can all be locked while the engine itself is fastened with elastic couplings so that vibrations are reduced almost to zero. Starting is by hand cranking and the exhaust fumes can be discharged outside by means of the flexible hose supplied with the trestle. The upper shelf is lined with rubber and the drawer contains the original set of tools as well as the service and maintenance manuals.

Dimensions: 27 x 20 x 26H in cms.

Weight: @ 3 Kgs.

Note: Specifications are subject to change.
