

**Specification:-**

- Connect to virtually any commercial truck, read every code, and get repair information to fix it.
- This kit works with heavy truck, automobiles, marine, agriculture, earth moving equipment, and much more.
- This kit is exclusively made and distributed by Diesel Laptops. We have developed unique software & services that are exclusive to this tool, and we call that the Diesel Laptop Difference.

**Laptop Specifications:**

- Xeon i5 Processor
- 8GB RAM
- Wireless Internet
- 240GB Solid State Drive (SSD) Hard Drive (This is a special hard drive with no moving parts, so you get longer battery life and makes the laptop ultra-quick.

**Pocketfleet Diagnostics**

- This is a UNIVERSAL software program that reads both truck & auto data. It not only reads engine data, but it reads everything else, including:
  - Gas & Diesel
  - Transmission
  - ABS
  - Cab Body Controllers, and many more!
