

**SPECIFICATIONS:-**

- **MULTI-OUTLET SURGE PROTECTOR:** Power everything on your desk with a single compact surge-protected extension cord. 12 AC outlets with surge protection charge your computer, laptop, phone, camera, and more. It's one charging station for a clutter-free desk.
- **POWER BAR W/ PHONE LINE PROTECTION:** 1-in-2-out RJ11 telephone or fax protection ensures open, continuous phone line connections, plus coaxial cable protection to safeguard cable box and satellite connections. Protects circuits from fire, impact, and rust.
- **SAFEGUARD YOUR DEVICES & APPLIANCES:** This extender has been run through extensive testing to ensure your expensive computers, monitors, hard drives, home theaters, and other appliances are protected by 3,940 joules of overcurrent and overload protection.
- **COMPACT & HEAVY-DUTY:** Widely spaced outlets give ample area to fit big plugs and charger bricks. A slender design makes it ideal for home office, workstations, and game rooms. The durable, 2.4M cord has a 3-prong angle plug convenient for tight spaces.
