

Overview:

The Measuring Tapes Set is designed for accurate distance measurement in construction, surveying, and general engineering applications. The set includes tapes of different lengths to accommodate various measurement requirements. Each tape is housed in a durable ABS case for protection and ease of handling, with clearly marked millimeter and centimeter graduations for precise readings.

Technical Specifications

Parameter	Specification
Instrument Type	Measuring Tape Set
Tape Lengths Included	5 m, 15 m, 30 m, 100 m
Graduation	mm / cm
Case Material	Strong ABS Plastic
Usage	Distance measurement for construction, surveying, and engineering work
Set Configuration	One tape of each length (5 m, 15 m, 30 m, 100 m)

Note: Specifications are subject to change, Photos shown above are Indicative, Actual Product can Vary.
